

Town of Wausaukee – Building Information

If your project is 300 ft. or closer to water you will need to contact Marinette County Zoning Department for a Zoning permit

If You are building Garage; storage; deck, you can obtain Building permit from me at the Town hall. I can be reached at 715-927-2185 to make arrangements for that. You can also use the mail. If you prefer mail, please send a check for \$20.00 payable to Town of Wausaukee, PO Box 464, Wausaukee, WI 54177. Along with the check I will need info such as 1.) description of project; 2.) your home address and phone number; 3.) property location in Wausaukee. I will mail permit back to you .

If you are building a cottage/home/ addition to preexisting home you will need to get a state building permit.

This is issued by Jane Meissner. Cell: 715-245-1708; email: Jane@NaturesEdgeInspections.com ; web: www.NaturesEdgeInspections.com Jane will let you know all info needed for building a cottage/home/ addition to preexisting home in Town of Wausaukee.

After you are all set with Jane you can pass a copy of the State permit to me along with a check for \$20.00 made out to the Town of Wausaukee PO Box 464, Wausaukee, WI 54177.

The Town of Wausaukee prohibits manufactured or mobile homes in excess of 15 years of age to be set in the Town of Wausaukee.

You can request a variance for older mobile home from the Town board. You would come to town meeting (2nd Tuesday of month).

If variance is granted steps to take :

Contact Jane Meisner Cell : 715-245-1708; email:

Jane@NaturesEdgeInspections.com ; web: www.NaturesEdgeInspections.com for State permit. (not sure on that cost. She will let you know what you need ie. reconnect sanitary permit; zoning permit (zoning permit is from County, not sure on that cost either)

After Jane has issued permit then back to me for a Town permit which is \$20.00.
